Proposition 36

MISSION STATEMENT

The Mission of Proposition 36 is to provide nonviolent drug offenders with proven and effective treatment strategies rather than incarceration through a collaborative effort of stakeholders.

DESCRIPTION OF MAJOR SERVICES

In November 2000, California passed Proposition 36, the Substance Abuse and Crime Prevention Act of 2000 (Act). The Act mandated that certain persons convicted of a nonviolent drug possession offense, and any parolee who is determined by the Parole Authority to have committed a nonviolent drug possession offense, or violated any other drug-related condition of parole, will be provided drug treatment and related services in lieu of incarceration. On February 6, 2001 the Board of Supervisors designated Human Services System as the county lead agency for implementation of the Act and established a local interest earning special revenue fund for funds received from the state for this program.

Proposition 36 was intended as a 5 year demonstration project for the period of July 1, 2001 through June 30, 2006. Revenue of \$2.77 million was allocated to the County for the period of January 1, 2001 through June 30, 2001 as start up funds. During the planning for implementation a decision was made that the anticipated annual allocation would not keep pace with expenditures. Therefore, the \$2.77 million was deposited in the Proposition 36 special revenue fund to finance treatment and probation costs that exceeded the annual allocation. A portion of the reserve has been used annually to finance costs that have exceeded the annual allocation. It is anticipated that the fund balance will be depleted at the proposed program end date of June 30, 2006.

This special revenue fund does not directly spend funds or provides services. This special revenue fund is used to account for disposition of the funds received from the state. Funds are transferred to the department of Alcohol and Drug Abuse Services and Probation which are the ones providing the treatment and overseeing the parolees.

There is no staffing associated with this budget unit.
